Metal angles stolen from 240 electric poles

CESC asks NHAI to ensure public safety on Expressway

Meeting held with Mandya In-Charge Secretary; CESC MD inspects vandalised poles on NH-275

SOM impact

CESC Managing Director Jayavibhavaswamy** (second from left) **making a point regarding electric pole safety during his inspection of the Mysuru-Bengaluru Expressway yesterday. Others seen in the picture are General Manager (Technical) Lokesh, Director (Technical) Umesh Chandra and CESC Superintending Engineer (Mandya Circle) Krishnamurthy.

Srirangapatna, Feb. 3 (Vinay Karekura & BCT)- The Chamundeshwari Electricity Supply Corporation (CESC) has asked the National Highways Authority of India (NHAI) to ensure that all electric poles on the sides and bypasses of the 10-lane Access-Controlled Expressway between Mysuru and Bengaluru (NH-275) are well-secured before the electricity properties are handed over to CESC for maintenance.

This comes days after *Star of Mysore* published a report on Jan. 30 titled ***'25-ft. tall electric poles sway dangerously as thieves steal horizontal metal bars'*** highlighting how thieves are stealing the stainless-steel angles (metal bars) fixed on the electric poles. As the angles have been removed, the poles dangerously sway when the wind blows.

Following the report, CESC team conducted a survey and reported to Managing Director Jayavibhavaswamy that angles of over 240 electric poles from Ramanagara till Srirangapatna have been stolen by thieves under the cover of darkness.

Inter-departmental meeting

An exclusive inter-departmental (CESC-NHAI) meeting was held yesterday afternoon that was chaired by senior IAS officer and Mandya In-Charge Secretary Jayaram Swaroop with the CESC officials, NHAI Superintending Engineers and its technical team. It was decided at the meeting that the Mandya CESC Superintending Engineer will list out in writing all the safety measures with technical knowledge to be taken by the NHAI and the NHAI will follow them to ensure public safety.

Retired IB Officer R.N. Kulkarni murder case

Hearing on vacating stay on demolition posted to Feb. 6

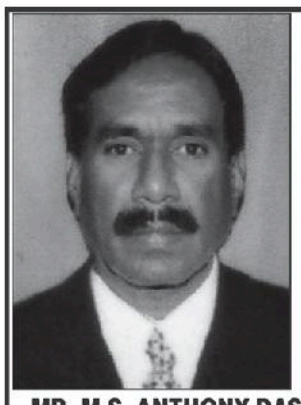
Kulkarni

Mysuru, Feb. 3 (RKB&KS)- A City Court that was hearing the issue of vacating the stay order on the demolition of the portion of the building next to the house of former Intelligence Bureau (IB) Officer R.N. Kulkarni in Sharadadevinagar, has adjourned the matter to Feb. 6. The adjournment came this morning.

Principal District and Sessions Court had stayed the demolition of the illegal portion of the building till Jan. 4 and the MCC had approached the Court to vacate the stay and the matter came up for hearing this morning. MCC Engineer Mani attended the Court.

(See HEARING on page 6)

SAD DEMISE



MR. M.S. ANTHONY DAS
(73 years) Retired Teacher,
St. Philomena's High School, Mysore

We deeply regret to announce the death of Mr. M.S. Anthony Das (73 years) Retired Teacher of St. Philomena's High School, Mysore on Sunday night 29.01.2023.
He has left behind Grieving wife, daughter, grandson, dearest friends and beloved students.
His funeral service took place at Benson Cemetery on Monday evening 30.01.2023.

'Kaggataleya Khandadalli' book release on Feb. 5

Mysuru, Feb. 3 (SSM) - Vaidyavartha Prakashana, Mysuru, has organised a programme at The Institution of Engineers (IE) Auditorium on JLB Road in city at 11 am on Feb. 5 for the release of the book 'Kaggataleya Khandadalli' authored by Dr. Arkalgud Neelakanta Murthy.

The book, which is written in Kannada language, is about the author's experience in Africa where he served as a doctor for 13 years.

The 218-page book will also include insights about countries suffocating administration, people's unscientific practices and beliefs.

Former University of Mysore (UoM) Vice-Chancellor Prof. K.S. Rangappa will inaugurate the programme while Department of Public Libraries Director Dr. Sathishkumar S. Hosamani will release the book.

Ursu Mandali President H.M.T. Lingaraje Urs will preside. Retired CFTRI Scientist Kollegal Sharma and Chutuku Yugacharya Dr. M.G.R. Urs will speak on the book. Anveshana Seva Trust Founder President Amarnath Raje Urs will be the chief guest. Author Dr. Neelakanta Murthy will be present.

Last date for admission to CMA course extended

Mysuru, Feb. 3- The Institute of Cost Accountants of India (ICAI), Mysuru Chapter, has announced that the last date for admission to Foundation, Intermediate and Final Course of CMA (Cost and Management Accountants) is extended up to Feb.10 for June 2023 term examination.

Interested candidates may contact Mysuru Chapter of ICAI at # 1420, 7th Cross, Krishnamurthypuram, between 10 am - 12 noon or 5 pm -7.30 pm on all working days or over Ph: 0821-2331083 or Mob: 97317-89222.

EDITOR'S BOTTOMLINE

Occasionally, we hear some unique stories about good Samaritans whose timely help and presence of mind have helped save lives. A while back, the rescue of a cricket player by a bus driver caught nationwide attention. Though many discern the horror, only some come forward to help.

Here's an interesting comparison between Bhishma and Jatayu. One was a great noble known for his righteousness and respect; the other was a common bird. Both had their capabilities as well as limitations. While Bhishma was well known for his strength, valor and power, Jatayu was old, meek and powerless.

Bhishma, the powerful warrior, could have effortlessly stopped Duryodhana from harming Draupadi, yet he never uttered a word. Jatayu, sensing something wrong, put up a brave fight against Ravana despite knowing the asura king's power and his inevitable death.

Eventually, Bhishma went down in the annals of history without much glory. Right from the time we get up till we go to sleep, consciously or subconsciously, we are making decisions. This constant decision-making between the right and the wrong for years starts defining us. If we make wise decisions, our character will follow suit.

Character is who you are at your very core. It's all the values and beliefs you hold dear to your heart... and it's the person you are even when you're alone. Furthermore, a person with a positive character does the right thing because they believe it is the right thing to do. They take the right action because it is important to them to live life according to their personal values.

In the words of John Luther, "Good character is more to be praised than outstanding talent. Most talents are, to some extent, gifts. Good character, by contrast, is not given to us. We must build it piece by piece through thought, choice, courage and determination." *— Priya Anand in Deccan Herald*

Rooftop suburb built atop a shopping mall

Jakarta: Jakarta in Indonesia is home to one of the most unusual residential projects in the world – a suburb located atop a 10-storey shopping mall.

Jakarta is expanding horizontally, with most residents preferring low-rise houses instead of apartments. With real-estate in increasingly short supply, developers have been forced to think outside the box, and that's how urban oddities like Cosmo Park came to exist.

Cosmo Park has been around for about 14 years, but few knew about its existence outside the bustling Indonesian capital until 2019, when a photo shared on Twitter went viral. It showed the residential complex from the air, with the rest of the ground-level city sprawled around it. The bizarre location left people scratching their heads about the safety of such a project.

Giant waterlily species breaks world records

London: A species of giant waterlily native to South America has broken several world records, according to the Guinness Book of World Records.

The species was only recently identified as a distinct species by a team of researchers headed by Kew Garden's scientific and botanical research horticulturalist Carlos Magdalena. The gigantic waterlilies were believed to belong to a separate species, Victoria amazonica. "The discovery made last year now holds the Guinness World Records titles for: Largest species of waterlily, largest waterlily leaf, largest undivided leaf," Kew Gardens tweeted.

Victoria boliviana lily pads are able to support up to 176 pounds of weight and can grow larger than ten feet across. The latest specimen recorded was grown at the La Rinconada gardens in Santa Cruz de la Sierra, Bolivia, measures 10 feet 6 inches in diameter.

HEALTH CAPSULE

Myth: Hard water causes stones

Fact: Drinking Hard water will not increase the risk of stones. Adequate hydration will reduce the risk of stone formation.

No power supply on Feb. 4, 5 and 6

Mysuru, Feb. 3-As Chamundeshwari Electricity Supply Corporation (CESC) has taken up quarterly maintenance work at Jyothinagar, Muguru, Nanjangud, Tandya and Sinduvalli Power Distribution Centres, there will be no power supply tomorrow from 10 am to 5.30 pm in the following areas:

Jyothinagar Power Distribution Centre: Jalapuri, Gayathripuram, Jyothinagar, Udayagiri, Kyathamaranahalli, Shanthinagar 1st and 2nd Stages, Ganeshnagar, Sathyanagar, Mahadevapura road, German Press, Usmaniya Block, Ghousianagar, Raghavendanagar, Giriya-bovipalya, Yaraganahalli, Bannur road and surrounding areas.

Muguru Power Distribution Centre: Muguru, Kotthegala, Alagudu, Vatalu, Mugurumole, Kothawadi, Kothawadi Mole villages and Gram Panchayat (GP) limits.

On Feb. 5 - 10 am to 5 pm at Nanjangud Power Distribution Centre: Nanjangud Town, Kallahalli Industrial Area, Nestle, Devirammahanahalli, Deburu, Devarasanahalli, Maraluru villages and GP limits.

Tandya Power Distribution Centre: Chikkayyanachatra, Tandya Industrial area, Balaji Indus, KIADB 1& 2, Kempisiddanahundi, Hulimavu, Hadinaru, Hosakote, Tumnerale villages and GP limits.

On Feb. 6 - 10 am to 5 pm at Sinduvalli Power Distribution Centre: Devirammanahalli, Devarasanahalli, Kalale, Naviluru, Sindhuvalli, Kodlapura, Kasuvinahalli villages and GP limits, according to a press release from CESC Executive Engineers, NR Mohalla and Nanjangud Divisions.

Mega Udyoga Mela on Feb. 8

Mysuru, Feb. 3 (SSM) - Maharani's Science College for Women, Mysuru and Samarthanam Trust for the Disabled has organised a mega Udyoga Mela (Job Fair) at the College premises on JLB Road from 9 am to 2 pm on Feb. 8.

Unemployed youths (men and women) aged between 18 and 35 years with a pass in SSLC, PUC, Diploma and any Degree courses are eligible to apply.

Candidates must carry at least eight copies of their resumes along with five passport size photos, copies of educational qualification certificates, Aadhaar card among other necessary documents while attending the mela. For details, contact College Placement Cell Convenor Dr. Parashuram Murthy on Mob: 78292-99400 or Dr. K.U. Kiran on Mob: 94830-32052 or Shivaraju on Mob: 63648-67818.

REALLY...?

- ***Black Sand : You might have seen white sand in Bali, but have you ever heard of black sand? Since Bali is a volcanic part of Indonesia, a lot of these volcanic eruptions have resulted in the black colour of the sand. So do not be wary if you see the black beaches here and hope this astonishing fact about Bali will bring about many photo opportunities!***

VOICE OF THE READER

KSRTC must start City Bus Services on ORR

Sir,

On behalf of a large number of commuters, I request KSRTC Mysuru city authorities to introduce city bus services on Outer Ring Road (ORR).

The service should especially start from Bandipalya APMC junction on Nanjangud Road to Manipal Hospital junction on Mysuru-Bengaluru Highway as it helps a lot of people.

With this commuters like daily wage labourers, factory workers, IT employees and general public can avail easy transportation facility to reach various destinations (residential areas, industries etc.).

The services promise better revenue to KSRTC too. Hence, the officers must take up this issue seriously and do the needful.

Anubhava Mantapa Endowment programme tomorrow

Mysuru, Feb.3 (PM&DM)- To revive the centuries old 'Anubhava Mantapa' concept, the Akhila Bharata Sharana Sahitya Parishat will be conducting 'Anubhava Mantapada Anubhaava Goshti', an endowment programme, at JSS Women's College in Saraswathipuram here tomorrow (Feb.4). Announcing this at a press meet here yesterday, Sharana Sahitya Parishat Mysuru Unit President M.G. Sadananadaiah said that Spiritual Thinker Shankar Devanur will inaugurate the programme at 10 am tomorrow.

The programme features an interaction on the 12th century concept of 'Anubhava Mantapa' while Vachana Scholars will interpret the queries on Vachana narratives to be raised by students and other participants. Clarifying that this would not be a platform for giving answers, Sadanandaiah said that the programme is intended at exploring answers.

Noted writers O.L. Nagabhushana Swamy, Dr. Kavita Rai, Dr. Jyothi Shankar and Dileep Kumar will take part in the programme being conducted out of the Endowment established by Prof. D.S. Sadashivamurthy in the name of his elders.

PUBLIC NOTICE

This is to inform the general Public that, my client **Smt. Yamuna.G W/o. Sri Murali.R**, is intending to **purchase the Agricultural Garden Land bearing Sy.No.215/2, Old Sy.No.215, measuring** total an extent **of 04 Acres of land situated at HASAGULI VILLAGE, Begur Hobli, Gundlupet Taluk, Chamarajnagar District, Karnataka State,** which is more fully described in the schedule hereunder and hereinafter called as the Schedule Property from **its owner Sri Farooq Shariff, S/o Late Ahmed Shariff, residing at No.442/A, 1st Stage, Rajiv Nagar, Udayagiri, Mysore City, Mysore-570 019**

The owner of the above said land has handed over the Xerox copies of the documents in respect of the above said land to my client. Any person/s having any claim, right, title, interest, share in the Schedule Property may file their objections to the undersigned with documentary proof, **within 15 days** from the date of publication of this Notice and if no valid objections are received within stipulated time, my client will proceed with assumptions that, there are no objections or claims of whatsoever nature from any person/s for purchasing the schedule property by my client. Any objection received after 15 days will not be entertained and my client will proceed to purchase the land in accordance with law.

SCHEDULE PROPERTY

All the piece and parcel of the **Agricultural Garden Land bearing Sy.No.215/2, Old Sy. No.215, measuring total an extent of 04 Acres of land situated at HASAGULI VILLAGE**, Begur **Hobli, Gundlupet Taluk, Chamarajnagar District,** Karnataka and bounded on the:

East by: Land belongs to H.P. Lingaraiappa & Narasaiah, **West by** : Land belongs to H.P. Basavarajappa, **North by** : Road, **South by** : Land belongs to G.Madappa

Sustainable engineering for a better tomorrow

National President of Association of Consulting Civil Engineers inaugurates RACE-23 seminar

Dignitaries releasing the technical volume of insightful papers of technical sessions at the inaugural of the two-day National Seminar on 'Innovative Infra in Civil Engineering' this morning. Seen in the picture are (from left) RACE-23 Hon. Secretary Dr. P. Nanjundaswamy, ACCE Vice-President (West) Sandeep Shirodkar, VP (South) K. Rajkumar, ACCE - India National President Vijayakumar Kisan Sanap, Mysore Centre Chairman H.S. Deepak, HQ Treasurer R. Srinivasan, RACE-23 Chairman Dr. G.P. Chandradhara, Managing Director of Parsan Overseas Pvt. Ltd., New Delhi Dr. Sanjay Rana and ACCE Mysore Hon. Secretary S. Shashiraj.

Mysuru, Feb. 3 (PM&BCT)- A two-day National Seminar on 'Innovative Infra in Civil Engineering' began at Mysore Builders' Charitable Trust (MBCT) Auditorium on Akkamahadevi Road, Vishweshwaranagar in city this morning.

The event is being organised by the Association of Consulting Civil Engineers (ACCE – India), Mysore Centre as part of Recent Advances in Civil Engineering-23 (RACE-23). Over 350 delegates including members of ACCE – India who have come from across the country, 200 engineers, 150 post-graduate and undergraduate civil engineers, Government engineers and technical experts are attending the seminar.

Various technical sessions are being held as part of the seminar and well-known speakers who have made a mark in the national and international engineering scenario are delivering talks on wide-ranging subjects that are making an impact in civil engineering and construction sectors. An exhibition has also been organised at the venue where over 10 stalls are exhibiting the latest engineering technologies.

The event was inaugurated by ACCE - India National President Vijayakumar Kisan Sanap, who also released the technical volume which has insightful papers from all the Speakers of the technical sessions. In his address, Vijayakumar said that the Mysore ACCE Centre was one of the most active centres in India on par with centres in Bengaluru, Hyderabad and Nagpur. "You have rightly organised RACE-23, latching on to the trend early," he said.

Picture shows a section of delegates and audience at the National Seminar in city.

Mentioning that the infrastructure in India has seen a boom since the last eight years, Vijayakumar said that the responsibility of engineers was in focus now. "With great infrastructure works, there is a greater responsibility on engineers to make the infrastructure align with the economy and make it sustainable. This is where innovation comes into play. I am glad to see many students in the gathering as they are our future," he said.

Innovation and engineering community

In his introductory remarks, RACE-23 Chairman Dr. G.P. Chandradhara said that the seminar has been organised with the goal of exposing the engineering community to innovations and breakthroughs in civil engineering — engineering the future, exploring innovations and collaborating for a better tomorrow.

"Civil engineers always hunt for novel construction materials. New innovations in civil engineering emerge over time to improve project quality, effectiveness, durability and sustainability. Eminent speakers, having extensive experience in analysis, design, and construction will demonstrate at RACE-23 the significance of technological innovation in buildings and structures," he noted.

Today, the emphasis is on sustainability, which means that resources for the present must be preserved for future generations. Civil engineering plays an important role in this regard, he added.

Geophysical investigations crucial

In his technical presentation on 'Application of Geophysical Techniques in Civil Engineering Projects', Dr. Sanjay Rana, Managing Director, Parsan Overseas Pvt. Ltd., New Delhi said that modern major construction is inconceivable without high-level engineering explorations which play a major role in increasing the economic efficiency of capital investments.

An alumnus of IIT – Roorkee, Dr. Sanjay has carried out geophysical investigations for more than 2,000 projects in India and many countries. "For the design of structures, it is indispensable to procure comprehensive high-quality information about the subsurface, within short periods. The study of diverse natural conditions predetermines a variety of methods and technical means which can be used for carrying out exploratory work," he noted.

Any major construction work calls for a well-considered approach in view of the restricted time frame and finance. In planning and development of the project, adequate knowledge of the geotechnical conditions at site is important, he said and added that engineering geophysics is an efficient means of subsurface investigation.

The state-of-the-art subsurface geophysical investigations are helpful towards minimising involvement of the conventional direct exploration methods, aiding in accelerated and economic development of the construction projects, he said.

ACCE (India), Mysore Centre Chairman H.S. Deepak, Hon. Secretary S. Shashiraj, RACE-23 Hon. Secretary Dr. P. Nanjundaswamy and others were present.

E-Commerce and Digital Marketing Training Programme for Women Entrepreneurs held

Mysuru, Feb. 3- UBANTU-Consortium of Women Entrepreneurs Associations, Bengaluru, in association with Mysore Chamber of Commerce and Industry (MCCI) and WISE- Women's Wing of MCCI, had organised a two-day 'E-Commerce and Digital Marketing Training Programme for Women Entrepreneurs' in city recently.

First day, the training was held through online and the next training session was held at Skanray Technologies Auditorium in Hebbal, Mysuru.

Deputy Commissioner Dr. K.V. Rajendra was the chief guest. Mayor Shivakumar, MCCI President K.B. Lingaraju, Kiran Pattathil, Plant Cluster-Head, Asian Paints, Vishwaprasad Alva, Managing Director, Skanray, were the guests of honour.

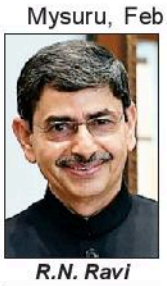
K. Ratna Prabha, Founder-President, UBANTU and former Chief Secretary, presided. Mikiko Tanaka, Head, ESCAP South and South-West Asia Office, New Delhi, was present.

T.A. Vasantha Kumari, President-WISE (Women In Small Enterprises), welcomed. Padmini Shivanna, Vice-President, WISE, participated in the programme.

Rachana Mahesh, Honorary Secretary, WISE, compered the programme. Rajalakshmi R. Vice-President, Uma Reddy, Vice-President (Operations) and Jyothi Balakrishna, Honorary Secretary from UBANTU participated in the Sessions.

Around 250 members, including women entrepreneurs and students participated in the programme and availed the benefits.

Tamil Nadu Governor to deliver JSS Endowment Lecture



R.N. Ravi

Mysuru, Feb. 3 (SSM)- Tamil Nadu Governor R.N. Ravi will deliver the 12th Golden Jubilee Endowment Lecture in the Series organised by JSS Mahavidyapeetha at Sri Rajendra Centenary Auditorium in JSS Hospital premises here on Feb. 4 at 11 am. He will speak on the topic 'G20 Leadership: Opportunities to India'. Suttur Mutt Seer Sri Shivarathri Deshikendra Swamiji will grace the occasion.

Profile: R.N. Ravi was born in Patna, Bihar and completed his Master's in Physics in 1974.

After a brief stint in journalism, he joined Sardar Vallabhbhai Patel National Police Academy in 1976.

During his tenure in the Central Bureau of Investigation (CBI), Ravi led several anti-corruption crusades against organised criminal gangs, including mining mafias. Ravi was in 2014 appointed the Chairman of the Joint Intelligence Committee.

He was appointed Deputy National Security Advisor of India on Oct. 5, 2018. He also served as the interlocutor for the talks between NSCN-IM and the Government of India, from 2014 to 2021. Ravi, who served as the Governor of Nagaland and Meghalaya, is currently serving as the 15th Governor of Tamil Nadu.

CESC asks NHAI to ensure public safety on Expressway

(Continued from page 1)

Before the meeting, CESC MD Jayavibhavaswamy, General Manager (Technical) Lokesh, Director (Technical) Umesh Chandra and Superintending Engineer (Mandya Circle) Krishnamurthy inspected the poles from which the angles have been stolen.

"Now that all the bypasses of the Expressway are open for traffic, the theft has come to light. The poles are standing precariously and many are swaying dangerously and threatening public safety. We discussed in detail about the thefts and made it clear to the NHAI officers that safety precautions have to be taken before the Expressway is fully open to traffic and also before the electrical properties are handed over to CESC," Jayavibhavaswamy told *Star of Mysore*.

Technical guidance

"If the NHAI had asked us we could have technically guided them on the proper way to install the electricity poles. If poles are more than 50 feet, guy wires (a tensioned cable designed to add stability to a free-standing structure) must be fixed on all the four sides, once the angles are fixed, brazing or jamming (metal-joining process) has to be done so that the nuts and bolts are not easily removed by thieves," he explained.

The electricity poles are at a height over 60 ft. and thieves have removed angles up to over 30 ft. "How will the poles withstand wind pressure in the absence of angles and guy wires," Jayavibhavaswamy questioned. "The meeting discussed all the aspects in detail. Public safety is important. We cannot carry out repairs after the poles are charged and electricity is supplied. Tomorrow if the poles fall on people, only CESC will be held responsible. So, before that, all the anomalies must be fixed," he added.

CESC has also asked the NHAI to prioritise the restoration works. "First, they must restore the poles where more than 30 ft. of angles have been stolen. Also, before handing over the electrical properties to CESC, all precautions must be taken and safety aspects must be covered as it will be CESC's responsibility to maintain the poles after the warranty period (the contractor will maintain it for one year as power contract). We will have to enter the poles in our asset books and train our staff to maintain them and also, we must purchase similar poles, wires and angles in case of future repairs," Jayavibhavaswamy said.

Power theft: CESC Vigilance Squad registers 26 cases

Mysuru, Feb. 3 (RK&KS)- Dy.SP Dharmendra led CESC Vigilance Squad, which raided various places at Mysuru, Chamarajanagar, Mandya and Hassan districts have registered 26 power theft cases.

The squad, which conducted raids in Tandavapura and Suttur in Nanjangud taluk, Mandya, Chamarajanagar and Hassan limits, found that 26 persons were stealing power through illegal power connections and registered cases against them.

CESC Vigilance Squad SP Rashmi Paraddi guided Dy.SP Dharmendra, CESC Executive Engineer Tabbasum Afzabanu, Inspectors M. Shivamadaiah, Azaruddin and Mahadevaswamy, officials Avishkumar Patak, Syed Abdul Rahim, B.D. Tilak, Syeda Kausar Begum, Tontaradya, B. Manikantaswamy and staff V.R. Sheshadri, S. Niranjan, S.V. Ramesh, Shylesh Kumar and Udaykumar in the raids.

TATA Steel PGTI Qualifying School 2023 Golf, Kolkata

Six-shot advantage for Mysuru-based golfer Aryan

Kolkata, Feb. 3 (Agencies)- Mysuru-based golfer Aryan Roopa Anand maintained his overnight six-shot advantage with an error-free five-under 65 as his total moved to 18-under 192 after round three. His scores was 64-63-65.

Aryan is playing at the Final Qualifying Stage at the TATA Steel PGTI Qualifying School 2023 at the Tollygunge Club in Kolkata.

He will play his final round today. Karan Pratap Singh (68-65-65) of Faridabad continued in second place at 12-under 198 after he too returned a 65, the day's joint best score.

Aryan Roopa Anand, the outright leader since round one, further consolidated his position at the top yesterday with a flawless effort that featured three birdies on the front-nine and two on the back-nine.

The 21-year-old Aryan, a winner of five amateur titles, scored on all the three par-5s (seventh, 10th and 13th) leaving himself tap-ins on two of them as he played some excellent chip shots.

Aryan, who has represented India at events such as the Asia Pacific Amateur, British Amateur and the Singapore Junior, said, "I was pretty solid today having missed just two fairways and three greens in regulation. It was a neat round as I didn't have to work hard to save par anywhere.

Aryan Roopa Anand

"My substantial lead after the first two rounds did take the pressure off me but despite that I started afresh today treating it like a new day and didn't take things for granted. I'll have the same approach on the final day," the Mysurean added.

Aryan is the son of Anand Kumar and Roopa. The family lives at Dattagalli in Mysuru city.

Hearing on vacating stay on demolition posted to Feb. 6

(Continued from page 1)

According to the Police, this illegal portion of the building had become the motive for the murder of retired IB Officer Kulkarni and he was fatally knocked down by a car when he was on his routine evening stroll in Manasagangothri campus at about 5.45 pm on Nov. 4.

Police said that the car was being driven by Kulkarni's neighbour Madappa's younger son Manu, who is the prime accused in the case. He took help from his friend Varun Gowda and both were arrested three days after the incident.

On Dec. 7, 2022, the Principal District and Sessions Court had rejected the bail application of 29-year-old Varun Gowda, who has been named as the second accused in the murder case.

On the evening of Nov. 15, the MCC staff had gone to the house in question to pull down the illegal portion after the 24-hour ultimatum served by the civic body ended. Madappa's Advocate Prasad told them that the Court had issued a stay and produced the copy of the stay order.

The stay order, dated Nov. 14, said that the impugned final order No. 03/14/19-20, is stayed till the next date of hearing (Dec. 14, 2022). Seeing the stay order, the MCC officers and staff left the spot. The Court, which took up the hearing on Dec. 14, 2022, had extended the stay period by 21 days.

Residents pour out water, garbage problems at MCC Zonal Adalat

Mysuru, Feb. 3 (RKB&DM)- Continuing to hold 'Adalats' at all its nine Zonal offices for addressing the grievances of the residents, the Mysuru City Corporation (MCC) held the Adalat at Zone 6 and 7 offices this morning.

Deputy Mayor Dr. G. Roopa chaired the Adalat at the MCC Office near Dr. Ambedkar Circle on Pulikeshi Road, Mandi Mohalla, where residents came with their complaints, grievances and petitions and queued up to get them addressed. A similar Adalat was held at MCC Zone-6 office near Vidyavardhaka College on Seshadri Iyer Road.

As soon as the Adalat began, many residents complained of lack of civic amenities such as drinking water, blocked drainages, lack of infrastructure and poor sanitation.

Veeranagere residents complained that their innumerable representations to the MCC on irregular water supply to the locality had not been resolved and wanted the MCC to immediately act on their complaint.

Vijaykumar, an office-bearer of Karnataka Rashtra Samiti (KRS) Party, wondered why road development works, including asphalting at 13th Cross, N.R. Mohalla, coming under MCC Ward 28, has been taken up without an official inspection.

Haroon Rashid, a social worker of Bannimantap, complained of improper drainage system and irregular collection and disposal of garbage, waste and debris in several parts of Bannimantap coming under MCC Ward 8 and the delay in issuance of Khatas.

Displaying a copy of *Star of Mysore* dated Nov. 29, 2018, to highlight a news article under the title: 'Jail term mooted for violating building laws', Rashid wanted to know what action the MCC had taken against the building laws violators. Claiming that garbage near Tipu Masjid has not been cleared for days, he wanted the MCC to undertake regular collection and disposal of waste.

Dr. S.S. Prasad, a resident of Anegundi road in Bannimantap, questioned the MCC's apathy towards garbage disposal in many areas of his locality. He wanted the MCC to act immediately before the situation worsens, with heaps of uncleared garbage already dotting several roads of the locality.

As the Adalat continued, several residents questioned Deputy Mayor Dr. G. Roopa why the MCC Commissioner and other top officials were absent.

Corporators Ashwini Sharath, Akmal Pasha and Rafeeq, Junior Engineers P.S. Rajesh and P. Ranjitha, MCC Zone-7 Manager R. Yogendra, Revenue Officer B.T. Dhanalakshmi and others were present. The next Adalat will take place at MCC Zone-8 and 9 offices on Feb. 7.

Meanwhile, speaking to *Star of Mysore*, Deputy Mayor Roopa said that five mega Adalats were held at the MCC Main Office in December last and the MCC had resolved many of the complaints received then in a specific period.

Pointing out that the complaints that are being received at all the MCC Zonal offices during the Zonal Adalat will be addressed in three days, she maintained that the MCC is doing its best to address citizen grievances at its level. Only issues that need Government clearance or intervention are kept pending, she added.

Kadamba State-level solo women's theatre festival begins

Mysuru, Feb.3 (MK&DM)- The three-day State-level solo women's theatre festival organised by Kadamba Ranga Vedike in association with Kannada and Culture Department began at Kirurangamandira in Kalamandira premises here on Thursday.

Speaking after inaugurating the festival by beating the drum, senior theatre artiste Sundarashri said it is heartening to note that women artistes have excelled in monologues and wished them all success.

Rangayana Deputy Director Nirmala Matapathi said that in the past, men used to don the roles of women. But the participation of more number of women artistes has given the theatre a new look, she observed. It is heartening to note that more women are taking interest in theatre acting, she noted. Pointing out that Rangayana had earlier hosted 'Akka' theatre festival, she said Kadamba Ranga Vedike had done an excellent job by conducting this solo women's theatre festival, which is unique.

Senior theatre artiste Rameshwari Varma said it is happy to note that Mysuru has hosted a theatre festival for women. Stressing on the need for a greater participation of women in theatre, she lauded the organisers for providing a platform for women to exhibit their acting talent.

Later, Manjula Badami of Sanehalli Gramaranga Samskruthika Trust presented the play 'Vasundhare.'

Veteran theatre promoter Rajashekar Kadamba and others were present. Today (Feb. 3), Centre for Divine Arts, Bengaluru, will stage 'Avvarasi' with Dr. Leela Basavaraj as the solo actor, at 7 pm. Entry is free.

Anveshane-2023: State-level Talent Hunt on Feb. 4, 5

Mysuru, Feb. 3- Anveshane-2023 is a State-level Talent Hunt exclusively for 10th std. students in Government High Schools.

The competition is conducted at two levels — a written online round and a 2-day residential camp for selected students.

In the written round, 2,095 students from 27 districts participated in an online exam in science and mathematics. Based on the merit list, 126 students (47 boys and 79 girls) have been selected to participate in the residential camp to be held on Feb. 4 and 5 at SVYM (Swami Vivekananda Youth Movement), Hebbal Ring Road, Mysuru campus.

During the State camp, the students will participate in hands-on activities, a treasure hunt, a coding competition and a written exam. Based on the performance of the students across all the assessments, the top 5 students are selected for a scholarship of Rs. 20,000 which will be deposited as a fixed deposit and will be available for the student at the time of admission for their higher studies.

On Feb. 4, the residential camp will be inaugurated by M. Madan Gopal, IAS (retd), Chairperson of the NEP-2020 Task Force of the Government of Karnataka. Dr. Nakul Parashar, Director of Vigyan Prasar, Government of India, will be the chief guest at the valedictory of the camp and felicitate the prize winners.

During the 2-day camp, students will also have an opportunity to interact with Dr. A. S. Kiran Kumar, former Chairman of ISRO, Dr. T. V. Venkateswaran, Chief Scientist of Vigyan Prasar and Dr. R. Balasubramaniam, Founder of SVYM. A science drama titled "*Leelavathi*" will also be staged by Kalasuruchi team.

SVYM is a development organisation engaged in building a new civil society in India through its grassroots to policy-level action since 1984. Presently it is serving over 3 million people in Karnataka through 7 institutions, over 40 Projects and 200 Partners. SVYM's areas of focus are Health, Education, Socio-economic Empowerment and Training and Research.

Through the School Education Programme, SVYM works with over 250 Government Schools to improve the quality of the learning environment in schools along with promoting community participation.

WORD OF THE DAY

Adapt

Pronunciation: uh-DAPT.
Meaning: To adapt is to make or become fit (as for a new use) often by modification.
Origin: "Nothing in this world is as reliable as change" is a common aphorism and one we can certainly attest to as lexicographers. English speakers adapted adapt, for example, in the 15th century from Middle French adapter, which was itself an adaptation of Latin adaptāre. Source traces back to Latin aptus, meaning "fit" or "apt." Other adaptations of aptus in English include aptitude, inept, and of course apt itself, as well as unapt and inapt.
Example: "Isaac Asimov's [Foundation] novels are collections of short stories and novellas spanning thousands of years, which makes them hard to adapt as a continuous story." — Belen Edwards

THE ODD WORD

Abessive

Indicating absence or lack.

PHRASE OF THE DAY

Against the Clock

Meaning: You use the phrase 'Against the Clock' to indicate that you are in a race with time, in a great hurry to finish something before a particular time, in a race against time, as fast as possible, not have enough time to do something, work very fast to complete something within a deadline.
Origin: The origin of the expression 'Against the clock' is American, and it is believed to come from the mid-20th century, when timed sports gained popularity. This phrase refers to various timed sports in which the participants do not compete directly against each other but are timed individually.
Example: "Hurry up! We're working against the clock here!"

QUOTE BOX

The two most powerful warriors are patience and time. — **Leo Tolstoy**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
